ABOUT THE TRACK

A comprehensive motorsports facility, Mid-Ohio Sports Car Course features a permanent road-racing circuit with two primary configurations: a 2.4-mile, 15-turn, and a 2.25-mile, 13-turn circuit. The park-like, 330-acre complex in Lexington, Ohio opened in 1962 and recently celebrated 50 years of racing excellence. Located 60 miles north of Columbus and 75 miles south of Cleveland near Mansfield, the track has been called the most competitive in the U.S. and annually hosts a diverse group of locally, regionally and nationally sanctioned racing events for amateur, club and professional drivers and riders.

Viewing

With a little help from central Ohio's naturally rolling terrain, Mid-Ohio Sports Car Course has created amphitheater-like viewing mounds at every key point around the racetrack, including the Keyhole turn, The Esses, Thunder Valley and The Carousel. Permanent grandstand seating is located in The Esses. There are also several bleachers in a number of areas around the track.

TRAFFIC AND PARKING

Traffic

Traffic guidelines and patterns have been developed through a co-operative process involving Mid-Ohio, local law enforcement and other governmental agencies. Due to unforeseen circumstances, routes and patterns may need to be changed. The guidance of law enforcement personnel and parking marshals must be followed at all times to ensure a smooth flow of traffic.

Outbound traffic at the conclusion of the event will utilize the same routes that filled the lot. This will result in some "no choice" exit patterns. Please follow the route indicated to you as all outbound traffic patterns will lead to an Interstate where you will have a choice of directions.

Most of our neighbors will be going about their daily business during our events. Please show them every courtesy and allow them access to and from their homes, subdivisions, churches and other destinations.

Top Traffic Tips

- Leave home early – we have found this to be the most important tip we can make to allow everyone to park and be situated in a timely manner. There is plenty of action going on from practices, qualifying, support series and fan activities, so it's easy to find something to do when you arrive early.
- If you have been issued a Mid-Ohio parking pass, display your parking pass before you arrive at the facility.
- Note that routes found online and in auto clubs directories often show the path with the shortest distance, without regard to road capacities, construction projects, railroad crossings and other obstacles. Visit midohio.com for any major construction updates before leaving.

Parking

All daily parking at Mid-Ohio Sports Car Course is free. For those who prefer, there are a limited number of infield parking passes that may be purchased for specified events. Motorcycles are permitted in the infield without a pass at all events. Mid-Ohio Sports Car Course reserves the right to close the infield, without notice, as deemed necessary.

Reserved lots require your parking pass to be displayed at all times. All items, vehicles and persons are subject to inspection before admission is granted. The speed limit is restricted to 20mph on all areas of the grounds.

Shuttles

Guest Shuttle Service is available during all spectator events and runs throughout the facility. Shuttle stops are located in most well-traveled areas around the track and are designated with signage.

CAMPING INFORMATION

Tent and motor home camping areas are available during all spectator events at Mid-Ohio Sports Car Course.

Tent camping regulations are as follows:

- There are defined and appropriately **numbered camping** spaces measuring approximately 20x25.
- All camping units and personal automobiles within a designated camping space must be at least 5 feet apart
- One personal automobile pass will be issued per tent camping pass purchased
- One camping unit (tent or camper) is allowed in each 20x25 tent camping space. (If your camping unit or set-up is larger than the aforementioned size, you will be required to purchase an additional 20x25 tent camping space.)
- Each tent camping unit and corresponding automobile must display the appropriate pass at all times. No automobiles will be permitted into the campground area without the appropriate pass.

To guarantee you have a tent or motor home spot, we highly recommend that you order your pass in advance by calling 800-MID-OHIO (800-643-6446) or visit midohio.com. With a limited number of camping spaces now available at Mid-Ohio Sports Car Course, walk-ups during event weekends will not be guaranteed. **We strongly urge you to order camping passes and weekend tickets for these events in advance, as these events may sell out of camping spots:**

- AMA Vintage Motorcycle Days
- Buckeye SuperBike Weekend *presented by Dunlop Tire*
- The Honda Indy 200 at Mid-Ohio
- Nationwide Children's Hospital 200

These regulations will be strictly enforced by the state, and we greatly appreciate your patience and co-operation in abiding by these new restrictions. We remain committed to offering our customers camping amenities during each spectator race weekend.

Additional Camping Rules & Regulations

- A **weekend ticket** should be purchased with a camping pass, as a weekend ticket or VIP Race Pass is required for entrance into the campgrounds at any time.
- Only one personal automobile will be permitted in the tent camping area per pass purchased. State guidelines do not permit personal automobiles along the fence line or in the motor home camping areas. Additional automobile parking will be restricted to the east spectator parking area. In order to limit traffic and remain in compliance, we recommend that you come and go on foot as much as possible and utilize our shuttle system to move about the facility. Please utilize your personal automobile **only** to leave or re-enter Mid-Ohio Sports Car Course.
- Specific tent and motor home camping spaces cannot be reserved in advance; spectator camping areas will have assigned spaces upon check-in. Upon check-in, please remove the completed personal information section of your camping pass along the perforation and hand it to the Guest Services representative who is assisting you in locating a campsite. Your personal information will be on file for the weekend and will be utilized in the case of emergency.

- A Family Camping area has been set aside in the front section of the tent campground. You must request to be placed in this designated area upon arrival. These spaces will be offered on a first-come, first-served basis.
- Tents may not be tied down to spectator fences or placed in areas which block free access to spectator viewing. No tents may be erected on spectator amphitheater viewing mounds.
- All motor homes passes must be for self-contained units (i.e. have running water, holding tanks and sanitary plumbing) in order to camp in the designated motor home areas. To qualify for motor home camping, the unit must have two internal tanks, one each for gray and black water. Motor homes must use the appropriate dumping stations located throughout the facility.
- Motor homes should be parked either pulled-in or backed-in centered on the camping spot designation number.
- All campfires must be contained in grills. One campfire is permitted per utilized camping space. Please do not dig holes or burn fires on open ground. All fires must be extinguished, then drowned or smothered, when you are through with them.
- Shower facilities are available during the weekend for all campers in the tent camping area on select weekends and on the west side of the Maintenance building.
- Mid-Ohio Sports Car Course reserves the right to inspect all tents and motor homes at any time during an event weekend.
- Quiet hours will be enforced between 10 p.m. and 6:30 a.m.
