## **2013 – 2015 ODOT CONSTRUCTION PLANS**

**Heading to Mid-Ohio this summer?** *Ohio Department of Transportation (ODOT) construction plans may impact your travel through 2015. Here is some information on the upcoming projects and detour routes:*

- **UPDATE: AS OF JULY 3, ODOT'S ESTIMATED PROJECT COMPLETION DATE IS AUGUST 19.** Beginning in April 2013, ending in August 2013, the bridge on SR-314 that runs over I-71 will be closed. Those coming from the south or east will be most impacted, so please allow for roughly ten extra minutes travel, depending on the time of day. Here are detours from the south:
  - I-71 north to exit 165, left on SR-97 N, left on E. Main St. (through Lexington) and left on Steam Corners Rd., Mid-Ohio will be on your right in about one mile.
  - ODOT's recommended detour is I-71 north to exit 140, turn left on SR-61 N, right on US-42 N, left on SR-314 and right on Steam Corners Rd., Mid-Ohio will be on your left in about two miles.
  - I-71 north to exit 151, turn left on SR-95 W, right on Bank St., right on US-42 N, left on SR-314 and right on Steam Corners Rd., Mid-Ohio will be on your left in about two miles.
  - I-71 north to exit 151, turn left on SR-95 W, right Co Rd 20, right on US-42 N, left on SR-314 and right on Steam Corners Rd., Mid-Ohio will be on your left in about two miles.
- Other projects are also underway on I-71 as ODOT expands the interstate from two to three lanes in Delaware and Morrow Counties. These will be ongoing through 2015 and during this time, the speed limit on nearly 25 miles of I-71 will be reduced to 55 MPH.
- Through October 2013, the northbound side of I-71 from roughly Mile 151 to Mile 158 will be closed. Northbound traffic will be re-routed across the median to the southbound side where there will be two lanes of traffic in each direction and a reduced speed limit.
- With increased speed limits taking place across Ohio interstates (from 65 MPH to 70 MPH), we want to remind you to please be safe on your way to and from Mid-Ohio. Remember to check [ohgo.com](http://ohgo.com) before you make your trip for the latest information on closures, detours, weather and traffic. Our address is 7721 Steam Corners Rd., Lexington, Ohio 44904.
